**Br. Patrick Tierney FSC
Sector Leader Designate
Hong Kong**

Dear Br. Pat:

Greetings of Peace!

One of the first acts of the LEAD Leadership Team is to visit each and every community of every sector in LEAD. This Pastoral Visit will hopefully give us initial working knowledge of the sectors and the concerns they carry. For this visit, Br. Tom Lavin, Auxiliary Visitor and myself will be together and at the end Br. Jose del Coss, Bursar may join us.

The Pastoral Visits will have the following:

- Personal interview with each Brother
- Community Meetings
- Meeting with key lay Lasallians
- Visit of some ministries
- An assembly of all the Brothers at the end of the visit
- Dialogue with the Sector Council

The assembly of all the Brothers and key lay Lasallians at the end of the visit would be an opportunity for us to present the plans for LEAD for the next four years. It would also be an opportunity for the Lasallian Family to ask questions and make clarifications regarding the new structure.

For the sector of **Hong Kong** we scheduled the visit on **26 June – 01 July 2011**. Kindly inform me if these dates work for you. We leave up to you all the internal organization of the visit.

We look forward to being with the Brothers and the Lasallian Family of your sector as we begin the Lasallian East Asia District with hope and enthusiasm.

Fraternally,

**Br. Edmundo L. Fernandez FSC
